As used in this definition, the term employee shall mean also a group of employees having the same griev-

B. Purpose

ance.

- It is understood and agreed that the Association has the right to utilize all provisions of this article and that grievances may be processed either by the employee who has been aggrieved or by the Association.
- 2. It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible stage of the grievance procedure. The results of all informal resolution shall be reduced to writing with copies to all parties involved. The Board and the Association recognize that the procedure is available without any fear of discrimination because of its use.
- 3. The purpose of this procedure is to secure at the lowest possible administrative level equitable solutions to the problems which may from time to time arise affecting the working conditions of the teachers. The Board and the Association agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the grievance procedure.
- 4. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with the appropriate member of the administration, and having the grievance adjusted without the intervention of the Association, providing the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expe-

dite the process. The time limits specified may, however, be extended by mutual agreement. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the aggrieved person, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

D. Submission of Grievance

- Before submission of a written grievance, the aggrieved party must attempt to resolve it informally.
- 2. Each grievance shall be submitted in writing on a form approved by the Board and the Association. Each grievance shall identify the aggrieved party, the provision(s) of this agreement, the policy or the practice involved in the grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, and if known, the identity of the person responsible for causing such events or conditions and a general statement of the grievance and redress sought by the aggrieved party.
- A grievance shall be deemed waived unless it is submitted within thirty (30) calendar days after the aggrieved party knew or should have known of the events or conditions on which it is based.
- Submission of a grievance shall be made at the appropriate level.
- A teacher or group of teachers may submit grievances which affect them personally and shall submit such grievance to the building principal or immediate superior.
- 6. The Association may submit grievances. If the grievance is limited to one school, the grievance shall be submitted to the building principal or immediate superior. If the grievance affects a group of teachers in more than one school, the Association may submit the grievance in writing and commence at level 3.

1. Level One

A teacher with a grievance shall first discuss it with his/ her principal or immediate superior, either privately or with the Association's Faculty Representative and/or an officer of the Association present, with the objective of resolving the matter informally.

2. Level Two

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One or if no decision has been rendered within five (5) school days after presentation of the grievance, and s/he wishes to pursue his/her grievance, s/he shall submit it in writing to his/her building principal or immediate superior with copies to the Superintendent and the Association.
- b. The building principal or immediate superior shall respond in writing within five (5) school days. If the aggrieved person is not satisfied with the response of the building principal or his/her immediate superior or if no decision has been rendered within the five (5) school days, the aggrieved person may submit a copy of the grievance to the Superintendent of Schools with copies to the Association within five (5) school days after the decision of his/her building principal or immediate superior or within ten (10) school days after presentation of the grievance in writing, whichever is sooner.

3. Level Three

a. Upon the request of the aggrieved person, the Superintendent or his/her designated representative shall confer with the aggrieved person with respect to the grievance and shall deliver to the aggrieved person a written decision no later than ten (10) school days after it is received by him/her.

5. Level Five

a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Four, or if no decision has been rendered within ten (10) school days after she/he has first met with the Board, she/he mayQ within five (5) school days after a decision by the Board or fifteen (15) school days after she/he first met with the Board, whichever is sooner, request in writing that the Association submit her/his grievance to arbitration.

- b. The only grievances which may be submitted to binding arbitration are those alleging that there has been a violation, misinterpretation or inequitable application affecting terms and conditions of employment as determined by P.E.R.C. or other appropriate authority.

The parties shall be bound by the rules and procedures of P.E.R.C. in the selection of an arbitrator.
- e. The arbitrator may supplement the record but shall not remove or delete any documents pertaining to the grievance from the employee's personnel file. The Association reserves the right to review the teacher's personnel file/s to make sure that the arbitrator's supplement and/or amendment to the document/s is attached to the applicable document/s and included in the teacher's personnel file/s. Any future action may only include the arbitrator's supplement and/or amendment to the record.
- f. The costs for the service of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association.

F. Rights of Teachers to Representation

1. Any aggrieved person may be represented at all stages of the

grievance procedure by a person of his/ her own choosing, except that s/he may not be represented by a representative or an officer of any organization other than the Association.
